POLICY: TRANSFER RESIDENTS

Scope: All residents and fellow participating in NYU Winthrop Hospital (NYUWH) ACGME-accredited specialty and subspecialty graduate medical education training programs (i.e. residencies and fellowships)

PURPOSE

To establish a policy for all ACGME-accredited graduate medical education training programs sponsored by NYU Winthrop Hospital that is consistent with ACGME Common Program Requirements regarding resident transfer.

POLICY

Transfers from other ACGME programs may be accepted on a space available basis.

Before accepting a resident who is transferring from another program, the program director must obtain written or electronic verification of previous educational experiences, and a summative competency-based performance evaluation of the transferring resident. The program must also obtain a letter of release from the program director.
